ROTH CHEESE®

Inspired by Swiss roots, Roth® specialty cheeses are handcrafted in Wisconsin where we blend traditional techniques with the freshest milk from local dairy farmers. They know that the secret to making great cheese is in the details - fresh rBST-free milk, copper vats, spruce planks, expert cheesemakers and patience.

SMITHFIELD SMOKED BEEF BRISKET

Smithfield Smoke'Nfast adds authentic BBQ to your menu without the hassle. Whether it's fall-off-the-bone ribs, slow cooked beef brisket, pot roast, or pulled meats, Smithfield Smoke'Nfast has you covered.

BRAKEBUSH FIERY FINGERS®

Italian glazed breast strips are flavored with Italian spices then grilled. Heat things up a bit with Fiery Fingers®, breast strips dusted in a fiery, buffalo-style coating that has just the right amount of hot, savory flavor.

Kettle Cuisine

A passionate, innovative food company committed to making wholesome and delicious artisan food.

Premium, 100% Natural Soups, Chilis & Chowders!

DIMITRIA THAW & SERVE CINNAMON ROLLS

Our Thaw & Serve products will ensure you the same "Fresh Baked" Danish and other pastries that can help you enhance your current breakfast or snack offerings as if you made them yourself or had them delivered fresh that day and we have numerous flavors & size profiles available to meet just about any application.

NON GMO CANOLA OIL

Canola oil is considered a healthier oil because it has zero trans fat, healthy levels of monounsaturated and polyunsaturated fats, and the lowest level of saturated fats of all common culinary oils. Canola Oil is widely used in the food industry for baking, frying, sautéing, in salad dressings, etc.

UDI'S GLUTEN FREE

Udi's® is the #1-selling dedicated gluten-free brand* with a product portfolio that includes gluten-free breads, bagels, buns, muffins, pizza crusts, and cookies. In addition to being gluten free, many products are dairy, soy, and nut free, too.

ROLAND TRADITIONAL COUSCOUS

Couscous, a staple dish of North Africa, has a mild, nutty flavor and a fluffy, airy texture and is traditionally served alongside a tagine. It's the ideal side dish for stews and dishes prepared in sauces, as it absorbs their juices perfectly.

Roland Foods imports more than 1,500 products from North America, South America, Europe, North Africa, the Middle East and Asia. Behind those hundreds of products are countless people and partnerships—Roland's clients, employees, producers and suppliers the world over.

CRISPYCOAT™ FRIES 3/8" REGULAR CUT CRISPY ON DELIVERY™ FRIES

CrispyCoat™ fries have an even-batter coating delivering crispiness while extending hold time. This revolutionary fry provides exceptional delivery and takeout characteristics, maintaining crispiness up to 30 minutes when using vented packaging. This popular cut is the perfect balance of potato texture and flavor while providing great yield.

JOSEPH'S GOURMET PASTA

Try Joseph's Pumpkin Gnocchi: Soft Potato dumplings blended with pumpkin puree, brown sugar and nutmeg (par cooked).

SEAWATCH INTERNATIONAL

SHORTENING

The experts at Stratas have formulated high quality shortenings ideal for numerous baking techniques.

SOLUTIONS FOR YOUR BUSINESS

From cakes & icing to doughnuts, we have something that will work for you.

SUPER FRY SOY FLEX® DONUT FRY SHORTENING

Soy Flex is a domestic soybean based shortening that offers a creamier, more consistent texture, a wide temperature range and contains no tropical oils. Soy Flex, for shortening that's as smooth as silk and consistent from cube to cube.

Super Fry Soy Flex is a zero grams trans-fat donut fry shortening that is great for a multitude of deep frying applications in bakeries and donut shops.

PRIMEX GOLDEN FLEX® ALL-PURPOSE SHORTENING

Golden Flex expands the reach of non-PHO shortenings into the more challenging baking applications. Unlike most non-PHO shortenings which suffer reduced functionality and flexibility compared to PHO shortenings, Golden Flex is a true PHO-free drop-in replacement.

Primex Golden Flex is a zero grams trans-fat premium all-purpose shortening that is a true drop-in replacement for all-purpose bakery applications. With its neutral flavor and excellent mouthfeel, Primex Golden Flex is the perfect choice for pie doughs, cookies, biscuits, and general bakery applications.

SWEETEX GOLDEN FLEX® CAKE & ICING SHORTENING

Golden Flex expands the reach of non-PHO shortenings into the more challenging baking applications. Unlike most non-PHO shortenings which suffer reduced functionality and flexibility compared to PHO shortenings, Golden Flex is a true PHO-free drop-in replacement.

Sweetex Golden Flex Cake and Icing Shortening is a zero grams trans-fat soy based shortening developed for use in hi-ratio cakes. Cakes made with this product have outstanding flavor and texture. Brilliant white icings made with Sweetex Golden Flex have superior spreadability and excellent mouthfeel.

FLOWERS THAW & SERVE BREADS

Why Thaw & Serve?

- **Unmatched Variety**: Differentiate your menu with a large selection of on-trend options. Explore Products
- **Always First Day Fresh:** Freezing fresh bread stops the staling process, so bread will still taste fresh when thawed. Thaw & serve breads give you get fresh-baked quality and convenience.
- **Save Time & Money:** Our breads are delivered on the same truck as the rest of broadline orders, making it convenient and cost-efficient to manage your inventory.
- **Easy Handling & Long Shelf Life:** For first day-fresh bread, thaw at room temperature for 12 to 24 hours. Once thawed, store at ambient temperature and the bread will stay fresh for 5 to 7 days.
