### Favorite Foods Among New Hampshire's 20 Fastest Growing Companies

Business NH Magazine, New Hampshire's first statewide monthly business publication, has named Favorite Foods as the 12<sup>th</sup> fastest growing privately owned company in New Hampshire. Each company was ranked based on its three-year average sales growth. Favorite Foods reported a 23.21% growth over that time period.

The publication also ranked the top 100 privately owned companies in New Hampshire based on annual gross sales. Favorite Foods was one of 14 companies to make their debut on the list, coming in at number 73 with over \$30 million in sales.

"This recognition is exciting for Favorite Foods and all of its hard-working employees," said Chris Barstow, President and CEO. "We'd like to thank our customers – New Hampshire and Maine's best independent restaurants, our business partners, and our employees. We could not have made it to this point without their support."

*Incorporated in 1987, Favorite Foods is New Hampshire's only independently owned broadline food and paper distributor. Servicing the NH/ME seacoast, Concord, and Manchester regions, Favorite Foods is proud to support the area's local Independent Restaurants. Through the creation of FIRA, the Favorite Independent Restaurant Association, Favorite Foods has established itself as a leading advocate for locally owned and independent restaurants.*
