Tom Myers of Favorite Foods Receives National Recognition

Tom Myers of Favorite Foods in Somersworth NH was recently recognized by ID Access as the Distributor Sales Representative of the month on October 6, 2006. ID Access, a national publication, serves as an information source for foodservice distribution managers and distributor sales professionals across the country. The DSR of the Month distinction is reserved for foodservice distribution sales professionals whose collected experiences have benefited the entire industry.

Nominated by Jeff Barstow, President of Favorite Foods, Tom has been a member of the Favorite Foods Sales Team for 12 years. “Tom Myers was and continues to be a significant force in getting Favorite Foods to where they are today. He joined the company when it was still a fledgling start up and has, through his many contributions, helped us to become a profitable force in today’s competitive marketplace,” stated Mr. Barstow.

In addition to the positive impact he has had on Favorite Foods, Tom Myers is also celebrated for all he does for his customers. “In order to be successful, you need to get to know your customers as people. Fortunately, you end up forming some very nice friendships with them.” Myers said. “This isn’t about getting products from your warehouse to their store. This is about helping your customers build their businesses.” he said.

Tom is a graduate of Berwick Academy in South Berwick ME and received his degree in Consumer Studies from the University of New Hampshire in Durham NH.
