

To Our Valued Customers and Our Seacoast Community Neighbors,

On March 13, 2020 the world as we knew it came to a screeching halt! The foodservice industry took a beating overnight. Restaurants and foodservice distributors were immediately impacted. Retail stores were overburdened with the immediate rush to stock your shelves for fear of what the next wave would bring and to provide for your families. In an effort to do our part, Favorite Foods, Inc. sprang into action and quickly created a retail online cash and carry with minimal pick up contact allowing for a safe environment for you our customers to shop. The response from our customers and the community as a whole was overwhelming. Your support enabled Favorite Foods to bridge the gap while we waited to see what the future would bring. Over the last few weeks your "need" for our services has reduced significantly. We have made the difficult decision to "suspend" our Online shopping effective 7/30/20. We can not find the words to express how very much your support has meant to us. It is truly an honor to be part of this community and to service our customers. We look forward to continuing to be a positive in the "new normal." Thank you with more gratitude than words can express! Look for us in the fall as we begin to evaluate what you are looking for in a shopping experience!

Many Thanks!

Chris and Petra Barstow
