- Breadingers for chicken and other meats
- Baking blends for pancakes, muffins, and more.
- Gluten-free versions available
- Custom blends

A New England Tradition

The Red-E-Made brand is a New England tradition, known for our quality breaders, batters and baking blends catering to foodservice and industrial customers. We have an extensive distribution network along the East Coast, and their development team can provide custom blends to suit your needs.

Their R&D team is well-versed in matching and developing formulas. With over 150 years of combined experience, our R&D team can develop almost any breader, batter, or baking blend for your private label needs
