

Ask your sales rep about the perfectly portioned cups & packets of your favorite Ken's dipping sauces & dressings!

Why dip?

- Dipping sauces make traditional foods seem new again.
- Chefs don't have to come up with whole new preparations.
- Diners can try new flavors without making a big commitment.

63% of consumers

say dips and condiments are important for adding flavor to foods.

70% of millennials

like to dip their pizza (and more) in sauces.
