HUMMUS

• A BLEND OF CHICK PEAS, TAHINI, LEMON & OLIVE OIL •

HUMMUS

High Protein • Low Sodium • No Cholesterol • No Saturated Fats

HEALTHY Made from chick peas and tahini, hummus is a great source of protein and contains no cholesterol or saturated fats making it a vegetarian favorite. Kontos hummus is low in sodium and made with extra virgin olive oil giving it the added benefit of "heart healthy".

DELICIOUS Our hummus is made in small batches every day for freshness and quality. It's a perfectly balanced blend of chick peas, tahini, lemon, and extra virgin olive oil giving it a fresh, zesty, full flavor.

VERSATILE Spread our traditional hummus on a flatbread or bagel for a nutritious breakfast, create a wrap with roasted red pepper hummus and your favorite fresh vegetables for a healthy vegetarian lunch, or for a heartier meal add falafel or meat. And appetizers couldn't be easier – our favorite is a spoonful of either hummus flavor on a Kontos Cocktail Flatbread adding pesto & pine nuts or red onion & diced tomato for color and crunch.
