

# Potato Solutions!

Turn to Simply Potatoes® for premium refrigerated potato products, creative side-dish recipes and valuable support tools that will enhance your business. From offering winning menu ideas to delivering critical kitchen efficiencies, we're always on your side!

**Why Simply? The Simply Potatoes® brand delivers total value across your operation, bringing you:**

**Standout flavor** — made from 100% real potatoes, our products have the quality, texture and taste guests love.

**Kitchen efficiencies** — you'll save time and labor by eliminating potato cleaning, peeling, slicing and mashing.

**The fresh advantage** — our refrigerated potatoes are much simpler than scratch and fresher than frozen or dehydrated options

## Explore Simply Potatoes® Products

Every Simply Potatoes® foodservice product is made from real, fresh potatoes that are refrigerated—never frozen or dehydrated—for ultimate quality and guest satisfaction. Explore all of our popular forms:

**Mashed** — Find traditional and premium varieties featuring russet, red, yellow and sweet potatoes.

**Hash Browns** — Choose from classic to extra-thick shreds that cook up to golden-brown perfection.

**Diced** — Our diced options include russet and red-skin potato products, in varying sizes for maximum menuing versatility.

**Sliced** — Choose classic American home fries or thicker cuts, for savory scalloped dishes, breakfast sides and more.

**Wedges & Whole** — Get a fast start by using our red skin-on wedges or peeled whole russets to bring your sides to life.
