## A Perfect Solution For Your Customers... That's Not Too Bad For You Either.

Your customers can rely upon the Companions® brand towels and tissue for value-added, quality disposables that have a distinctive personality. And you can depend on Companions® as a product line that is good for your business as well.

### CONVENIENT

- Two-ply paper towels offer reliable performance for everyday cleaning and wiping
- Hardwound towels are ideal for high-traffic hand-washing situations
- High-capacity centerpull tissue roll drives fewer roll changes and lowers maintenance costs

### SAFE & SANITARY

- Embossed towels provide reliable hand-drying performance
- Disposable products help reduce the possibility of cross-contamination
- Completely enclosed rolls help reduce cross-contamination
- Disposable products help reduce the possibility of cross-contamination

### ECONOMICAL

- Standard hardwound roll towels in a natural color offer reliable performance at a low cost
- One-at-a-time dispensing reduces consumption compared to jumbo bath tissue

And like we said...  
**you'll love Companions®  
 towels and tissue,  
 too, because:**
