We offer a comprehensive service program for all major brands of commercial warewashing equipment.

Our service program begins with the industry's best preventative maintenance and our frequent service inspections are backed by an extensive parts inventory. Our well-trained and friendly technicians understand the importance of keeping your warewashing equipment in the best working condition and strive to assure you of the best possible results.

We are committed to providing you with rapid response to your after hours emergency service calls 365 days a year. With thousands of dishmachine, dispensing equipment, and plumbing parts on hand, you will have the peace of mind that you are in good hands with Summit Supply.

We provide complete installation, set-up and training services for new and existing customers. Our coordinated line of cleaning and EPA registered sanitizing products are labeled and matched with the right dispensing equipment.

Our colorful spray bottles and wall charts are designed to guide your staff on the proper procedures for cleaning and sanitation.

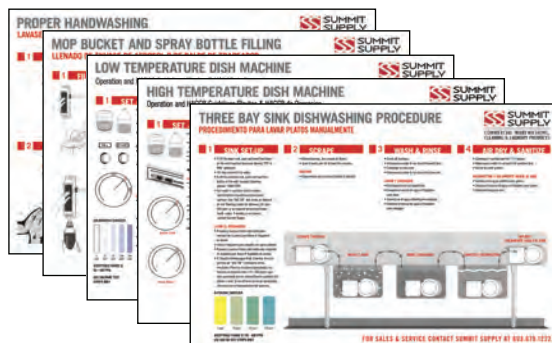

## Dispenser Equipment

At Summit Supply, we use only the finest dispensing equipment from industry leading manufacturers. Our well-trained and friendly technicians will expertly install and maintain your product dispensers. Wall charts, test strips, spray bottles, and labeling complement and complete our installation.

We have you covered for the following applications:

- Warewashing
- 3-Bay Sinks
- Flatware Presoak
- Floor Cleaning
- Spray Bottle Filling
- Grease Traps
- Handwashing
- Hand Sanitizing
- On-Premise Laundry

# Dishmachines

We are proud to carry a full-line of American-made commercial Dish-machines. With new & refurbished models in stock, we have what you need. We have helped provide solutions for many customers, including: Breweries & Tasting Rooms, Charities, Company Cafeterias - Inns & Hotels, Food Processing Plants, Manufacturing Plants, Nursing Homes, Private & Public Schools, Social Clubs & Music Halls, Function Facilities, Wine & Coffee Bars, Camps, Quick-Service & Full-Service Restaurants.

Our **rental program** is supported by an extensive, in-stock parts inventory and friendly and reliable service technicians. Control your expenses with a fixed monthly cost that includes all parts & labor charges. For simplicity and transparency, rental agreements are drawn directly between Summit Supply and our customers. We do not use a third-party leasing company.

White 1/1 | Item 5379998 | Manf#0651

# Disinfectant

## Multi-Surface Cleaner Disinf.

Ready-to-use hard surface cleaner and disinfectant kills SARS-CoV-2 (COVID-19 virus) on hard, non-porous surfaces in just 1 minute. Use front-of-house for removing food residue, dirt, grime, mold, etc. EPA Registered, and included on the EPA's N-List for disinfectants effective against COVID-19.

6/32 oz. | Item 3000048 | Manf#0152

## Multi-Surface Cleaner Disinf.

Hard surface cleaner and disinfectant kills SARS-CoV-2 (COVID-19 virus) on hard, non-porous surfaces. Use front-of-house for removing food residue, dirt, grime, mold, etc. EPA Registered, and included on the EPA's N-List for disinfectants effective against COVID-19. Dispensed through dilution system for maximum performance and economy.

1/1 kit | Item 2170513 | Manf#0164

# Sanitizer

## No-Rinse Sanitizer RTU

EPA Registered, No-Rinse sanitizer for use on non-porous food contact surfaces. This ready-to-use sanitizer solution is precisely prepared at 200 ppm. For kitchen use, as it is not effective against COVID-19.

6/32 oz. | Item 3000054 | Manf#0153

## No-Rinse Sanitizer

EPA registered sanitizer for third sink, spray bottles and sanitizing pails. No-Rinse multi-quat concentrate features an efficacy range of 150-400 ppm. Dispensed through dilution system for maximum performance and economy. For kitchen use, as it is not effective against COVID-19.

2/1 gal. | Item 3000123 | Manf#0159

# Descaler

## Lime Safe Descaler

Use for easy removal of lime scale build-up on commercial dishmachines and surrounding stainless steel.

4/1 gal. | Item 3000015 | Manf#0409

## Tips For Deliming Your Dishmachine:

- Scale buildup shortens the life of heating elements and results in higher energy cost;
- **Never mix different chemicals, especially Delimer with Sanitizers;**
- Always drain & fill your dishmachine with fresh water before and after deliming;
- Consult with Summit Supply if you have any questions. We always have you covered.

# Floor Cleaners

## Best sellers:

### Peak

Extra-strength for cleaning tile and concrete floors, walls, hoods, vent filters, back-splashes and other kitchen areas. Dispensed through dilution system for maximum performance and economy.

4/1 gal. | Item 3000306 | Manf#0523

### Easy Mop

Continuous-action enzyme kitchen floor cleaner works to digest grease that forms on tile surfaces and in grout lines. No scrubbing or rinsing required. Rinse-free feature saves time and water. Dispensed through dilution system for maximum performance and economy.

4/1 gal. | Item 3000039 | Manf#0519-75

### Neutral Citrus

Neutral pH all-purpose cleaner concentrate for stubborn and greasy build-up on a variety of hard surfaces. Dispensed through dilution system for maximum performance and economy.

2/1 gal. | Item 2190076 | Manf#0525

## More options:
