

# New Size Additions To

## ClearPac® SafeSeal™

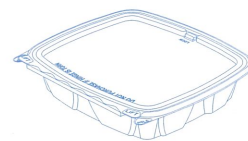

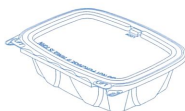

Six NEW sizes join the line, sporting all the same great features of the ClearPac® SafeSeal™ Tamper-Resistant, Tamper-Evident Containers!

**TamperAlert Hinge™** protrudes outward when torn, alerting the customer that the container has been opened. Hinge remains attached to the container, meaning no loose plastic pieces and therefore no littering.

**“Do Not Purchase If Hinge Is Torn”** message alerts the customer to the signs of a tampered container.

**MicroTrim Edge™** and **Locking Post** (20oz - 35oz sizes) contribute to tamper resistance by inhibiting the ability to lift up the lid from the base without tearing the hinge.
