

Stuffed Shells

Our Rosina® Cheese Stuffed Shells are made with high quality ingredients with no artificial flavors, colors or added preservatives. Created with top quality whole-milk cheeses, Grade A eggs, enriched durum and semolina flour, this center of plate product has become a customer favorite year after year. We offer a variety of different sized shells to fit your needs, as well as a delicious florentine filling. We guarantee to deliver a quality and truly authentic Italian style product that our customers expect. Try our Stuffed Shells today and you will see that quality ingredients and innovation really do make the difference!
