SIMPLY POTATOES®

POTATO SOLUTIONS

Why Simply? The Simply Potatoes® brand delivers total value across your operation, bringing you:

Standout flavor — made from 100% real potatoes, our products have the quality, texture and taste guests love.

Kitchen efficiencies — you'll save time and labor by eliminating potato cleaning, peeling, slicing and mashing.

The fresh advantage — our refrigerated potatoes are much simpler than scratch and fresher than frozen or dehydrated options

Turn to Simply Potatoes® for premium refrigerated potato products, creative side-dish recipes and valuable support tools that will enhance your business. From offering winning menu ideas to delivering critical kitchen efficiencies, we're always on your side!

WHAT'S IN STOCK:

Explore Simply Potatoes® Products

Every Simply Potatoes® foodservice product is made from real, fresh potatoes that are refrigerated—never frozen or dehydrated—for ultimate quality and guest satisfaction. Explore all of our popular forms:

Mashed — Find traditional and premium varieties featuring russet, red, yellow and sweet potatoes.

Hash Browns — Choose from classic to extra-thick shreds that cook up to golden-brown perfection.

Diced — Our diced options include russet and red-skin potato products, in varying sizes for maximum menuing versatility.

Sliced — Choose classic American home fries or thicker cuts, for savory scalloped dishes, breakfast sides and more.

Wedges & Whole — Get a fast start by using our red skin-on wedges or peeled whole russets to bring your sides to life.
