La Padella® Sauté Oil

La Padella® is crafted specifically for high-performance sautéing with authentic olive oil character. The “backbone” of La Padella® is provided by Rice Bran Oil which delivers a superior high smoke point, and Fresh Extra Virgin Olive Oil which adds real olive oil flavor and aroma. This precision blend is completed with Avocado and Grapeseed Oils to make La Padella® the perfect choice for high-performance kitchens seeking flavor authenticity.

TRULY® 100% Extra Virgin Olive Oil

We harvest our olives at the peak of freshness in the Fall and promptly cold-extract them in our state-of-the-art mill. The fresh flavor of the oil is maintained by holding it in our climate controlled cellar prior to packaging. We are dedicated to superior quality every step of the way. Why do we say “TRULY 100% Extra Virgin”? Despite many bland imposters, we are absolutely dedicated to making the real thing.

51-49® Extra Virgin Olive Oil & Canola Oil Blend

We designed 51-49® to provide fresh olive oil flavor and aroma with slightly less intensity than our TRULY® Extra Virgin Olive Oil. The combination of 51% Extra Virgin Olive Oil and 49% Non-GMO Expeller Pressed Canola delivers just enough olive oil flavor to compliment delicate foods without overpowering them. 51-49® is great for dressing salads, finishing warm entrees, light sautéing, and enriching signature sauces.
